MEMORANDUM FOR 130 AW ALL PERSONNEL

FROM: 130 AW/CC

SUBJECT: Environmental Commitment Statement

1. In accordance with AFI32-7001, Environmental Management, Section 3.3.2, this memorandum delineates the environmental commitment statement of the 130th Airlift Wing.
2. The 130th Airlift Wing is committed to conducting its mission in an environmentally responsible manner that will protect human health, natural resources, and the environment. In keeping with this commitment, we are dedicated to continued improvement of our processes to prevent pollution and reduce waste generation. The 130th Airlift Wing activities include the operation and maintenance of C-130 aircraft with the support of corrosion control, aerospace ground equipment, vehicle maintenance, and administrative functions and facilities maintenance. Significant environmental aspects will be identified and objectives will be set forth to improve these aspects. We will comply with all environmental laws and regulations applicable to the conduct of our mission. We have in the past, and will continue in the future, to pursue a course of responsible environmental stewardship. In support of our environmental commitment, we will strive to:
 - a. Promote the conservation and sustainable use of natural and manmade materials;
 - b. Minimize environmental pollution and waste;
 - c. Build environmental concerns into all policies, programs, and missions;
 - d. Integrate environmental information into all levels of management;
 - e. Achieve continuous improvements in environmental performance over and above regulatory and legislative requirements; and
 - f. Work in partnership with all stakeholders to promote waste reduction.
3. Please contact Major Thomas G. Smith, 341-6453, if you have questions regarding this subject.
4. This letter supersedes all other letters, regarding same subject.
